*Enroll in an  
A/C Service  
Agreement for  
just  
\$249.00*

## Prevent problems, save money, *stay cool !*

Dear Friend,

No one wants to go through the protracted hassle of having their A/C system fail on the hottest day of the summer. In the past, you've helped prevent this by asking us to do a preseason tune-up on your system.

If you haven't done so already, please call us now to schedule your annual air conditioning tune-up service. Better yet, ask us to enroll you in the Casey Energy **Air Conditioning Service Agreement**.

This plan covers the cost of your preseason tune-up, which can increase efficiency, cut electric bills and prevent most breakdowns. Besides a tune-up, you also get:

- **Guaranteed priority service.** We'll get to you fast because service agreement customers get priority.
- **20% off any A/C repair.** We'll give you a **20% discount on all covered repairs.**
- **Technical expertise.** Our certified technicians have the skills and experience to work on all makes and models of air conditioning systems. **They'll fix it right the first time!**

### Act now and enjoy a carefree summer!

Sign up now for our low price of \$249.00 and your system will be ready to chill when things start heating up. You get all the service agreement benefits, **plus you'll have a much better selection of appointment times.**

Please return the bottom portion of this letter along with your payment and we'll contact you to set up your appointment time, or contact us with any questions at **203-438-6500**.

Sincerely,

Shane Casey  
President

**P.S. Please enroll now before the spring rush begins.** Once we hit early June, our appointments fill up fast, and it may be hard to ensure that your system is in good working order once the weather really turns warm. Thank you!
